CREATING AN ACADEMIC PLAN

Academic plans will help you stay on track towards graduating from UC San Diego. Here are essential steps on how to build your own personal plan:

1 USE A QUARTER-BY-QUARTER TEMPLATE

Utilize the **Academic Planning Worksheet** template to create a long-term plan.

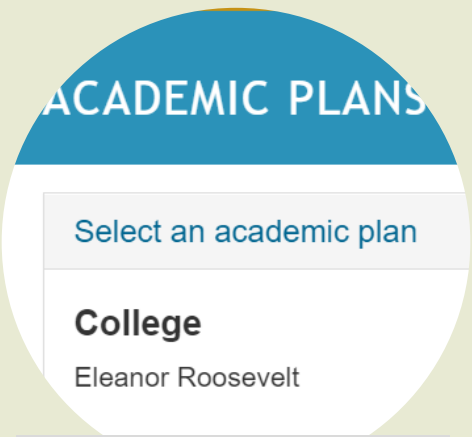
2 REFERENCE SAMPLE ACADEMIC PLANS



plans.ucsd.edu

Check the general four-year plans and transfer plans made in collaboration between majors and the college. Use this as a guide and adjust your personal plan as needed.

3 CHECK YOUR DEGREE AUDIT

Use your Degree Audit to track your academic progress towards graduation. You can see what you have completed, have work-in-progress, and what is still required.

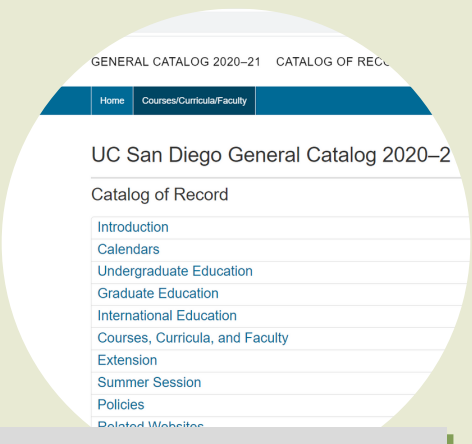
4 REVIEW THE GENERAL CATALOG & WEBSITES



General Catalog

- See the catalog for course prerequisites and sequences.
- Check college website for GEs and department website for major requirements.

5 MEET WITH MAJOR ADVISOR

To confirm all major requirements are accounted for.

MEET WITH ERC ADVISOR

Meet with the college ***after*** the department to verify graduation plan.
