Eleanor Roosevelt College Academic Advising

Syllabus

The purpose of this syllabus is to provide you with resources you can use and actions you can take each year of your academic journey at UC San Diego

ERC Advising Mission Statement:

- Provide ERC students with the information and counseling they need to fulfill their academic and personal goals and requirements.
- Serve as the repository for academic records and regularly review student records for progress toward meeting college general education and college and University graduation requirements.
- Monitor compliance with the academic regulations of the University and the UCSD Academic Senate.
- Provide information and referrals to enable students to take advantage of other ERC and University resources and opportunities.
- Encourage and assist students in developing the personal responsibility, independence, confidence, and skills that will enable them to succeed in their college careers and become knowledgeable, contributing citizens.

<tbody>
<tr>
<td>• Maintaining confidentiality pursuant to FERPA and UCSD procedures.</td>
<td>• Being aware of Deadlines:</td>
</tr>
<tr>
<td>• Creating a safe space for all students to ask questions and seek support.</td>
<td>o Bookmark: Enrollment/Registration Deadlines</td>
</tr>
<tr>
<td>• Explaining academic policies and procedures</td>
<td>o Add deadlines to your calendar</td>
</tr>
<tr>
<td>• Providing up-to-date information about academic rules, regulations and policies and clear interpretation of their application.</td>
<td>o Check your schedule before add/drop deadlines.</td>
</tr>
<tr>
<td>• Collaborating to support academic success.</td>
<td>• Checking your UCSD email daily (or link it to your personal email)</td>
</tr>
<tr>
<td>• Providing information and direction to empower you to make informed decisions</td>
<td>• Attending classes &amp; office hours (see tips below).</td>
</tr>
<tr>
<td>• Guiding you to make effective choices and assisting you to overcome obstacles.</td>
<td>• Achieving major GPA requirements</td>
</tr>
<tr>
<td>• Helping you create a plan for graduation</td>
<td>• Understanding that good academic standing with the University is earning at least a 2.0 GPA (term and overall) and seeing us if you fall below that.</td>
</tr>
<tr>
<td>• Assisting you in identifying experiential learning opportunities to expand your knowledge and skills.</td>
<td>• Meeting Minimum Progress requirements</td>
</tr>
<tr>
<td>• Being a resource for referrals.</td>
<td>• Contacting the ERC Advising Office if you are experiencing personal challenges that are affecting your ability to succeed.</td>
</tr>
<tr>
<td>• Being on time for appointments.</td>
<td>• Attending all advising appointments or cancelling ahead of time</td>
</tr>
<tr>
<td>• Helping you to make connections between intellectual, professional and personal short-term and long-term goals.</td>
<td>• Asking questions! If you do not understand something or if you have a concern contact ERC Advising or the correct department through the VAC</td>
</tr>
<tr>
<td>• Being available to listen and help in the assessment of individual situations, especially those involving academic difficulties.</td>
<td></td>
</tr>
<tr>
<td>• Helping you make the connection between personal goals and the ERC mission of global citizens!</td>
<td></td>
</tr>

Contact ERC Academic Advising with any questions: http://vac.ucsd.edu
Before School Begins:

☐ Check for and clear all holds via Tritonlink
   ☐ Go to TritonLink Tools → Click “Holds” under “Classes and Enrollment”

☐ Visit and explore the Virtual Advising Center
   ☐ Check “Enrollment Guidance” on left side column for course recommendations in August
   ☐ Use “Ask A Question” to communicate with ERC and other departments

☐ Take any necessary placement exams before enrollment in August (Math, Chem, AWPE)

☐ Make a habit of checking your UCSD email daily (Refer to this webpage if you need help setting up)

☐ Verify your schedule through WebReg on TritonLink
   ☐ Make sure you are in at least 12 units (three courses) to meet minimum progress requirements
   ☐ Check that you are taking courses for a letter grade under “Grading Option”

☐ Get Involved! Explore student organizations at Welcome Week
   ☐ Find at least one or two that interest you and plan on attending the first meeting!

☐ Find community by connecting with the UCSD Campus Community Centers

When school begins and throughout your first year:

☐ Satisfy the Entry Level Writing Requirement

☐ Complete MMW 11, 12, and 13, if you have met ELWR.

☐ Review your Degree Audit (through TritonLink Tools) for ERC General Education and University Requirements
   ☐ If you have questions, check out our videos explaining them

☐ Complete Academic Integrity tutorial (more information on your Triton Checklist)

☐ Take note of deadlines and University regulations on TritonLink
   ☐ Explore this information in the “Academics” Tab ex. What are the deadlines for dropping classes? and What is the policy and procedure for the P/NP grading option?

☐ Consider a Freshman Seminar

☐ Review your Four Year Plan to make adjustments according to your specific record. Then in Winter or Spring:
   ☐ Meet with your major advisor first to review this plan and are on track to meet major requirements
   ☐ Meet with an ERC advisor to check GE requirements and complete creating this Long Term Plan

☐ Explore and possibly make use of the Teaching & Learning Commons (T&LC) and OASIS
   ☐ The T&LC is a great resource for support in writing papers, content tutoring and supplemental instruction in many lower division math, Econ and science courses!
   ☐ OASIS provides Academic Resources in Math, Science, and Language Arts as well as Enrichment programs specific to First Years.

☐ Attend office hours with faculty and Teaching Assistants to clarify doubts and get to know them!
   ☐ ERC Peer Advisor’s Tips On Communicating with Professors

☐ If you want to apply to a capped major, check out that department’s website to learn about criteria to apply

☐ If you are an undeclared major, begin exploring major options by taking courses, reviewing major requirements in the catalog and department websites, and connect with major advisors (via the VAC)

☐ If you are experiencing personal or academic difficulties, use CAPs and ERC Academic Advising

☐ Try to connect with at least two students taking some of your courses and form study groups!

☐ Learn more about and utilize Dine/Coffee with a Professor Programs

☐ Research study abroad opportunities if interested. Including Global Seminars (we have specific ones for MMW), ERC Service Learning opportunities, UCDC and UC Sacramento.

Contact ERC Academic Advising with any questions: http://vac.ucsd.edu
Second Year

*Academic and personal adjustment/identifying goals.*

- Review your [four-year plan](#). Meet with major and college counselors for questions on planning and meeting goals if you have not done so already or for any change in plans.
- Assess your progress in your major and interest if necessary.
  - Talk to an advisor if considering a change in major and explore options
  - See [Major/Minor Resources](#) on TritonLink
- Take MMW 14 and 15 if you completed MMW 12 and 13 (If not, take MMW 12 in winter and 13 in spring)
- Research [Internships](#) and other experiential learning opportunities
- Become familiar with opportunities, workshops, internships and job fairs offered through [Career Services Center](#)
  - meet with a career advisor to get help with resumes and interview tips
  - explore job and internship opportunities
  - learn more about grad school and the application process
  - assess your interests & skills and think about how they may apply to your career/long term interests.
- Meet with professors in your fields of interest to discuss career opportunities.
- Begin to develop your [co-curricular record](#)
- If you are declaring a minor, do so by the end of this year using the Major/Minor Tool in [TritonLink](#)
- If you are undeclared or considering changing your major, explore options and take courses for your prospective major to assess interest and move forward with declaring or changing our major
- Consider taking [Communication and Leadership seminars](#) through the Center for Student Involvement

Third Year

*Goal setting, experiential learning and specialization*

- Monitor your academic progress using your degree audit Reviewing your plan with major & ERC advising.
- Explore graduate/professional programs, if that is in your plans, through the [Career Services Center](#)
- Prepare to take any required professional/graduate school entrance exams
  - See an advisor in the [Career Services Center](#) for guidance
- Explore options for independent research through a favorite professor or your major department
  - Check out the [Research Experience and Applied Learning Portal](#)
- Maintain contact with favorite professors, exploring career options, and ask for letters of recommendation.

Fourth Year

*Making the most of every opportunity and transitioning into life beyond UCSD*

- Review your degree audit and determine your graduating quarter (the quarter in which you will be completing all your coursework). Be sure to review all aspects including total units required, upper division units, etc.
  - Refer to [ERC website for deadlines](#)
  - Check out [DDA and commencement videos](#) and websites to understand the difference between applying for diploma vs participating in commencement
- Approach faculty and staff to secure any necessary letters of recommendation.
- Meet with an advisor in the [Career Services Center](#) to prepare for graduate school programs or develop post-graduation plans. Attend applicable career fairs.
