

Enrollment Guidance Webinar for Transfer Students

Presented by ERC Academic Advising

UC San Diego

Welcome to the Enrollment Guidance Webinar for Transfer Students! This webinar is brought to you by ERC Academic Advising.

Today we'll be preparing you for the upcoming fall quarter enrollment by reviewing how to utilize the tools and resources provided to you, such as the enrollment guidance.

Let's get started!

ANNOUNCEMENT: Fall 2023 Transcript Processing Delay

Undergraduate Admissions is currently experiencing delays in transcript processing. This impacts their ability to reflect transcripts as “received” on your portal (Enrollment Checklist).

If you have already sent your official transcripts, please **do not** send duplicate copies. Admissions will be contacting students throughout the month of August if they have not received your official transcripts.

Continue monitoring your @ucsd.edu email for more details and updates

UC San Diego

Before we begin our presentation portion, we wanted to share a brief update regarding the timeline of enrollment. By now, you should have all received an email from the UCSD Admissions Office sharing that they are currently experiencing delays in transcript processing. This impacts their ability to reflect transcripts as “received” on your portal (Enrollment Checklist).

That being said, if you have already sent your official transcripts, please do not send duplicate copies. Admissions will be contacting students throughout the month of August if they have not received your official transcripts so it is important to continue monitoring your @ucsd.edu email for updates.

ANNOUNCEMENT: Fall 2023 Enrollment Delayed

Due to these delays in transcript processing within Undergraduate Admissions, your enrollment appointment times are also delayed for Fall 2023.

- Your enrollment appointment times will now be published in WebReg on **Monday, August 14.**
 - Enrollment for new incoming transfers will begin on **Monday, August 28.**

Continue monitoring your @ucsd.edu email for more details and updates

UC San Diego

Due to these delays in transcript processing within Undergraduate Admissions, your enrollment appointment times are also delayed for Fall 2023. Your enrollment appointment times will now be published in WebReg on **Monday, August 14th** so be sure to check back then.

Enrollment for new incoming first years will subsequently begin on **Monday, August 28th.**

Which classes to enroll in for Fall quarter?

To prepare for Fall quarter enrollment, you are expected to:

- Review enrollment resources and systems
- Review placement information
- View your “Enrollment Guidance” provided to help with course selection

Your “Enrollment Guidance” will be available on
Wednesday, August 9th.

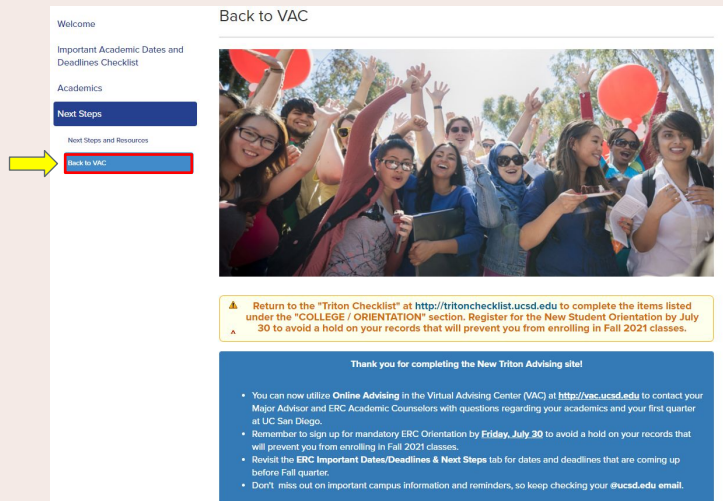

UC San Diego

In the meantime, to prepare for Fall quarter enrollment when that time rolls around, you are expected to:

- Review enrollment resources and systems
- Review placement information
- And view one of the most helpful tools provided to you, the “Enrollment Guidance”. Today, we’ll be going over the “Enrollment Guidance” in detail so you are prepared to utilize it when it is released. The “Enrollment Guidance” will be available on **August 9th.**

Enrollment Guidance

To prepare for Fall quarter enrollment, please review the resources, placement information, and Enrollment Guidance provided below.

Enrollment Resources

- Register for College Enrollment (Enroll) scheduled on August 16, and 18 – go to the [Enrollment Guidance](#) (Enroll) registration webpage.
- Review the [Academic Plans](#) (see the Transfer Plan tab) which include university, general education, and major requirements. These are sample academic plans for students who completed a full GE/TC at a California Community College and started at UC San Diego with 16 units. Individual academic plans will differ depending on the number of units completed prior to entering UC San Diego.
- Review your Degree Audit to see how AP, IB, and/or transfer credits apply to your specific degree requirements. Your Degree Audit may not be fully updated with all of your transfer coursework at the time. Check your [Transcript](#) for verify if transcripts have been received. Your Academic History will reflect which transcripts have been posted to your record. University requirements (UH, ELAR) will not be updated until Week 3 of the Fall Quarter.
- Refer to the [UC San Diego Catalog](#) for course descriptions and procedures.
- Use the [Waiting Tutorial](#) to learn how to use the [Schedule of Classes](#) and [Class planner](#) in order to create your schedule.
- Make sure to clear all holds prior to your enrollment appointment time (go to [MyTutorLink](#) - <https://students.uned.edu/MyTutorLink/index.html> to view your holds).
- Connect with College and Department Program Advisors through the [Virtual Advising Center \(VAC\)](#) starting June 15.

The following major and placement results which are specific to your academic record are listed below:

Major/Proposed Major

- If you have proposed a major that is not supported, you will be able to change your major using the [Major/Minor tool](#) on [MyTutorLink](#) once you enroll in Fall Quarter courses.
- If you have proposed a major that is supported, refer to [Current Majors](#) for more information about how to apply. Admission into a supported major is not guaranteed.

*MMW 121 is required for all transfer students and only offered Fall or Summer.

Transfer Agreements

Review transfer agreement information on our [website](#) to determine if you need additional general education requirements (beyond MMW 121 and MMW 122).

- PACS Regional Specialization course options
- Use the [Fall GE Sheet](#) for course options. Visit the [General Education](#) website for more information.

Major Requirements

Refer to Academic Plans, your Degree Audit, and the UCSD General Catalog and consult your department or program advisor to select any major courses.

Diversity, Equity, and Inclusion (DEI)

All students are required to complete the University's [Diversity, Equity, and Inclusion \(DEI\)](#) requirement. Note: the course you choose may overlap with other requirements.

Pre-Health

If you are planning on applying to a health professional school, visit the [Health Road](#) website for pre requisite information.

Important Notes:

- Enroll in 12-16 units (16 secured) unless advised to enroll in part-time status. Enroll in all courses for a letter grade unless you are certain the Pass/Fail option is permissible.
- Do not waitlist any classes unless they are absolutely required (i.e., MMW 121 or courses for your major or instructed by the academic department). There is no guarantee that you will be able to waitlist (Check your Blackboard email for updates from the department).
- We will be reviewing your course selections after you enroll, and notifying you via the VAC. It is your responsibility to check your email for VAC notifications and follow the instructions provided.
- All mandatory registration fees and tuition must be paid in full by the deadline or you'll be dropped from your classes and waitlist. Review the [Enrollment and Registration Fee deadline Calendar](#).
- For prerequisite coursework (Prerequisite or PREREQ) not officially posted at your time of enrollment, submit an [Early Enrollment Authorization System](#) to the corresponding academic department/program. Make sure to "Start" a new Degree Audit to view the most updated version.
- Fall 2021 Schedule of Classes (FAQ).

UC San Diego

Your overall enrollment guidance will look like this. It is very important that you read all the information given as it will provide the steps needed to enroll in the appropriate classes. It should be a fairly straightforward process if you follow all the instructions and review all the resources thoroughly.

Now, let's take a closer look at the Enrollment Guidance.

Sample Enrollment Guidance: Enrollment Resources

Enrollment Guidance

To prepare for Fall quarter enrollment, please review the resources, placement information, and Enrollment Guidance provided below.

Enrollment Resources

1. To review the Enrollment Guidance Webinars go to the [Enrollment Guidance Webinar Registration](#) webpage.
2. Review the [Academic Plans](#) (use the Transfer Plan tab) which include university, general education, and major requirements. These are sample academic plans for students who completed a full IGETC at a California Community College and started at UC San Diego with 90 units. Individual student plans will differ depending on the number of units completed prior to entering UC San Diego.
3. Review your [Degree Audit](#) to see how AP, IB, and/or transfer credits apply to your specific degree requirements. Your Degree Audit may not be fully updated with all of your transfer coursework at this time. Check your Triton Checklist to verify all transcripts have been received. Your Academic History will reflect which transcripts have been posted to your record. University requirements (AHI, ELWR) will not be updated until Week 3 of the Fall Quarter.
4. Refer to the [UC San Diego Catalog](#) for course descriptions and prerequisites.
5. Do the [WebReg Tutorial](#) to learn how to use the [Schedule of Classes](#) and Class planner in order to create your schedule
6. Make sure to clear all holds prior to your enrollment appointment time (go to MyTritonLink - <https://students.ucsd.edu/my-tritonlink/tools/index.html> to view your holds).

Connect with College and Department/Program Advisors through the [Virtual Advising Center \(VAC\)](#) starting June 15.

UC San Diego

At the top of your enrollment guidance, you will find the enrollment resources you should be using to help with course selection. This list will link you directly to the tools needed to help in choosing courses for Fall enrollment. Again, reference these links regularly as you are putting together your schedule.

Scrolling further down on the enrollment guidance, you will see a fall schedule example. Please note that the schedule on your enrollment guidance will only be an example of what your plan may look like. It will not be specific to your major.

For detailed course planning for your major, you will instead need to review your major's Transfer Plan on plans.ucsd.edu which will include university, general education, and *specific* major requirements.

Please note that the academic plan assumes a student who entered UCSD as a transfer has completed a full IGETC certification at a California Community College (or other approved transfer agreement program), and started at UCSD with 90 units. Individual student plans will differ depending on the number of units a student enters with at UCSD. If you are not IGETC certified, please consult with your major advisor and ERC Academic Advising office when the quarter begins for an academic plan that takes into consideration your transfer academic history. However, the first quarter is fine to follow.

Major Department Websites

All major departments have their own website where their respective requirements will be listed, so go to the website for more information on major requirements.

Sample Enrollment Guidance: Major Course Selection

Degree Audit

The image displays four sample degree audit pages from UC San Diego, illustrating course selection guidance for various majors. The pages are organized into sections with headings like 'Required Courses', 'Elective Courses', and 'Recommended Courses'. Each page includes a list of courses with their respective credits and a table for course selection. The pages are labeled 'Page 1 of 2', 'Page 2 of 2', 'Page 3 of 2', and 'Page 4 of 2'.

UC San Diego

Lastly, another essential resource to utilize while picking courses for your first quarter is the degree audit. We will not be going into detail today about how to read your degree audit, however, we emailed the link on how to read your degree audit webinar recording which includes an extensive breakdown. Please watch the webinar recording to get a clearer understanding of how to interpret your degree audit.

Taking into account these resources, we will now show you how to put them together to select your classes.

SAMPLE
MAJOR
ACADEMIC
PLAN

HTTP://PLANS.
UCSD.EDU

Let's look at a student with a Cognitive Science major as an example.

To begin, the student will visit the plans.ucsd.edu website to look at the major's transfer academic plan. As mentioned, they will have major requirements listed.

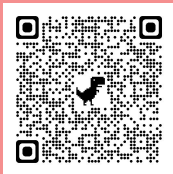

To find the appropriate plan:

- The student will select 2023-2024 as the entering year, the major department, and the major code
- Next, they would select the transfer plan and reference the first fall quarter as a guide.

As you can see, the student is recommended to take MMW 121 which is a GE that is required of all transfer students regardless of transfer agreement. It is important to take it in the first quarter as it is only offered in the fall or summer.

The other three classes are major courses. You can also see that the student will need COGS and two "COGS Core" courses. For the COGS Core courses, the student will need to visit the department's website and/or the degree audit to see the eligible courses to pick from.

Major Department Websites

Upper Division Requirements

(12 courses, 48 units)

Core (6 courses)

- **Distributed Cognition:** COGS 100
- **Fundamental Cognitive Phenomena** (choose any 2): COGS 101A, 101B, 101C
- **Cognitive Neuroscience** (choose any 2): COGS 107A, 107B, 107C
- **Computation:** COGS 108

Electives (6 courses)

- A total of 6 electives are required, where at least 3 of the 6 electives must be taken within the Cognitive Science department. At least 4 of the 6 electives must be taken from the approved specialization elective list.
- Students also interested in Machine Learning and Neural Computation can choose from this group of classes for their general electives: COGS 118A, 118B, 118C, and 118D.
- One course in the Cognitive Science 19X series may be used as an elective to satisfy the requirements for the B.S. degree, but only with the approval of both the instructor who supervised the course and the undergraduate advisor.
- COGS 160 may only be used once for an elective.

[Approved Electives \(PDF\)](#)

[Approved Specialization Electives \(PDF\)](#)

Alert

Courses for the major must be taken for a letter grade (with the exception of 195, 198, and 199 which are only offered on a P/NP basis). A minimum grade of C- is required for all courses.

For the student in the previous example that needed two COGS core courses, they can see which courses to select either on the degree audit or on the CogSci department website. On the major's website, you can see here that there are 6 COGS Core courses, so students can select two from this list for the fall quarter.

Be sure to follow any notes the department has such as selecting two from the Cognitive Neuroscience list specifically.

Also check each of the course's prerequisites to make sure you are enrolling in them in an appropriate order. For example, COGS 101A is a prerequisite for COGS 101B. For course prerequisite questions, contact the academic department.

Or you can scan the QR code on the screen to take you directly there.

Please also visit ERC's General Education website for more detailed information about each specific GE. Both of these pages will also be linked on your enrollment guidance.

Sample Enrollment Guidance: Important Notes

Important Notes:

- Enroll in 12-16 units (3-4 courses) unless advised to enroll in [part-time status](#). Enroll in all courses for a letter grade unless you are certain the Pass/Not Pass option is permissible.
- Do not waitlist any classes unless they are absolutely required (i.e., MMW 121 or courses for your major) or instructed by the academic department. There is no guarantee that you will be added from the waitlist (check your @ucsd email for updates from the department).
- We will be reviewing your course selections after you enroll, and notifying you via the VAC. It is your responsibility to check your email for VAC notifications and follow the instructions provided.
- All mandatory registration fees and tuition must be paid in full by the deadline or you'll be dropped from your classes and waitlists. Review the [Enrollment and Registration Fee deadlines Calendar](#).
- For prerequisite coursework (transcripts or AP/IB) not officially posted at your time of enrollment, submit an [EASy \(Enrollment Authorization System\)](#) to the corresponding academic department/program. Make sure to "Run" a new Degree Audit to view the most updated version.

UC San Diego

Using all these resources and following the steps in your enrollment guidance, you will be able to create a fall quarter schedule and enroll in the correct classes. At the bottom of the enrollment guidance, there are additional notes to review as you are enrolling. All the information included is extremely important and will help create a smooth enrollment process for you.

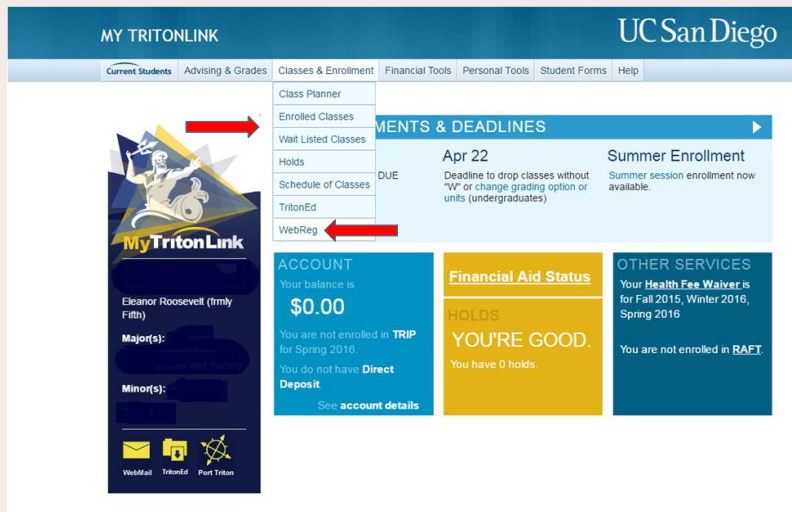

2-Pass Enrollment Process

UC San Diego

We'll now go over the two-pass enrollment system. Students will be enrolling in two separate appointment times. The two-pass enrollment process helps to ensure that all students have the opportunity to enroll in required pre-major, [major](#), and [GE](#) courses.

You will need to check for your first and second pass appointment times for the next quarter on WebReg. Your appointment times were released on August 14th but for future reference, the date of when enrollment appointment times are viewable for the quarter can be found on the Enrollment and Registration calendar.

We'll quickly review how to find your appointment times via WebReg:

Once you are logged into your MyTritonLink, scroll over the "Classes and Enrollment" tab and click "WebReg" from the drop-down menu.

Next, click the “Appointment Time” link.

A window will then pop up with your two separate enrollment times. One is designated for your first pass and the other for your second pass. They are generally spaced about two weeks apart. Please note that your appointment times for your first quarter are randomized and you cannot request a different time.

It's extremely important for you to check your enrollment times because if you do not enroll in classes during your first pass, you will have to wait until second pass to enroll in any classes.

Enrollment Limitations

- You are allowed to enroll in:
 - 11.5 units during the first pass (not allowed to waitlist)
 - 19.5 units, including wait-listed courses, during the second pass up until the first day of instruction.
 - If you do not enroll during your first pass appointment, you must wait until your second pass appointment.
- Starting the first day of instruction, you may enroll in up to 22 units, including wait-listed courses.

UC San Diego

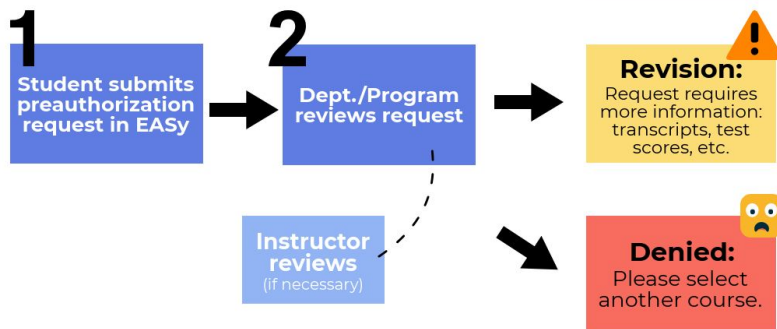

First pass appointment times will have a “start” and an “end” date and time. During your first pass, you will only have a 48-hour window to enroll in up to 11.5 units. Additionally, you may not waitlist a course during your first pass.

During your second pass, you will be able to enroll *and* waitlist in up to 19.5 units. Keep in mind that you should be enrolled in at least 12 units (not including waitlisted courses) to be considered a full-time student for the quarter. This is especially important for International Students, Student Athletes, if you’re receiving any form of Financial Aid including VA Benefits, and/or are living on-campus.

Starting on the first day of classes, you may add or waitlist up to 22 units.

Enrollment Authorization System (EASy)

How to Enroll in Courses with Prerequisites:

UC San Diego

* Graphic by UCSD Summer Session

The Enrollment Authorization System (EASy) is a tool that students may be using throughout their time at UCSD for enrollment purposes.

This system is for students who need to request *exceptions* to prerequisites must submit a request through the Enrollment Authorization System (EASy). Some classes may require departmental approval. To enroll in these classes, you should also submit an EASy request.

EASy will open for requests on Friday, August 18. This will allow students 10 calendar days to submit and review requests before first pass enrollment starts. Please be sure to only submit an EASy request if you need it. It's always good idea to plan your classes before your enrollment time, so please use the calendar tool on WebReg to get started once you receive your appointment time. If you need to submit an EASy request, you will be prompted on WebReg when you are trying to plan and/or add the class.

UC San Diego

Many of you are probably wondering how to plan out which courses you should enroll in for which pass. To determine the best option, here are some strategy questions to ask yourself when you're planning out your courses.

Questions to ask yourself to help you decide when to enroll!

- How many lectures are being offered? (More lectures means more opportunities to enroll in second pass)
- Total number of students allowed to enroll? (Smaller sections may fill up faster)
- Who is teaching the course? If it's a popular course or professor, it can fill up quickly.
- How often course is the course offered? (Do you need it this quarter?)
 - **You should first pass MMW courses since they are only offered in certain quarters**
- Is this course a prerequisite or part of a sequence? Do I need to take it this quarter to stay on track?

Letter Grade vs. Pass/No Pass

Letter Grade Option:

- All courses default to Letter Grade on WebReg
- Grade counts in Grade Point Average (GPA)
 - Grading Scale: A to F
- Most major courses must be taken for letter grade
- All MMW courses must be taken for letter grade
- Regional Specialization:
 - 1 of 2 courses must be letter grade

We recommend taking all of your first quarter courses as letter grade.
Consult with ERC Academic Advising and your major department by
Week 6 to determine if P/NP is appropriate for the course.

UC San Diego

When you enroll in courses on WebReg, all grading options are defaulted to Letter Grade. UCSD has two grading options: Letter Grade and Pass / No Pass.

A Letter grade reflects your performance in a class and results in grade points that count toward your GPA. Students can earn up to an A or as low as an F.. UCSD does not differentiate between A's and A+'s.

Keep in mind that most majors and graduate school requirements must be taken for letter grade. For ERC GE requirements, all MMW courses and some of your Regional Specialization must be taken for letter grade.

We recommend that you take all your first quarter courses as letter grade so you can get an idea of what level of work is considered a passing grade.

Consult with ERC Academic Advising and your major department during the quarter before Friday of Week 6 if you have questions about your grading options.

Class Modality

- At this time, Fall courses will mainly be offered IN-PERSON
- However, some limited courses may be offered as FULLY REMOTE or HYBRID (combination of both in-person and remote)

In-Person

Example 1: In-person lecture course

▼ HIUS 130		Cultural Hist/1607-1865 (4 units)				
Section ID	Section	Meeting Type	Days	Time	Building	Room
019100	A00	LE	TuTh	2:00p-3:20p	PETER	103

Example 2: In-person course with a lecture and discussion

▼ HUM 3		Renaissance,Reform&Early Europ (4 units)				
Section ID	Section	Meeting Type	Days	Time	Building	Room
016644	A00	LE	TuTh	9:30a-10:50a	WLH	2001
	A01	DI	M	10:00a-10:50a	WLH	2112

UC San Diego

When you are enrolling for courses for this coming Fall, you will find that courses will be offered in one of three formats: IN-PERSON, FULLY REMOTE and HYBRID (which is a combination of both in-person and remote).

At this time, Fall 2023 courses will mainly be offered IN-PERSON. However, some limited courses may be offered as FULLY REMOTE or HYBRID.

You'll be able to tell on WebReg how the course is being taught by looking at the Building and Room number. For In-person classes, it will have an on-campus building and room.

Class Modality

- At this time, Fall courses will mainly be offered IN-PERSON
- However, some limited courses may be offered as FULLY REMOTE or HYBRID (combination of both in-person and remote)

Fully Remote

Example 1: Remote lecture course

▼ BENG 280A Principles/Biomedical Imaging (4 units)

Section ID	Section	Meeting Type	Days	Time	Building	Room	Avail Seats	Total Seats	Waitlist Count
014800	A00	LE	MW	11:00a-12:20p	RCLAS	R06	30	30	0

Example 2: Remote course with a lecture and discussion component

▼ POLI 12D Intro/Poli Sci:Inf1 Relations (4 units)

Course Note: POLI 12D is the same course as POL 12.

Section ID	Section	Meeting Type	Days	Time	Building	Room	Avail Seats	Total Seats	Waitlist Count
016259	A00	LE	MW	10:00a-10:50a	RCLAS	R98			
	A03	DI	Th	6:00p-6:50p	RCLAS	R28	32	32	0

UC San Diego

For fully remote classes, it will have a building name RCLAS which stands for “remote class”. Classes will not meet in person.

Class Modality

- At this time, Fall courses will mainly be offered IN-PERSON
- However, some limited courses may be offered as FULLY REMOTE or HYBRID (combination of both in-person and remote)

Hybrid

Example 1: In-person lecture component and remote discussion component

▼ MATH 154 Discrete Math & Graph Theory (4 units)

			Th	12:30p-1:50p	RCLAS	R08	40	40	0

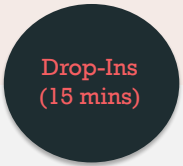

UC San Diego

And for hybrid classes, it will have a combination of an on-campus building and room assignment **AND** the building name **RCLAS** listed.

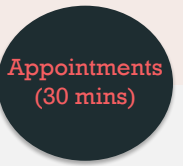

HOW TO ACCESS ACADEMIC ADVISING DURING FALL QUARTER

**Drop-Ins
(15 mins)**

- Available through Zoom
- In-Person also available (see calendar on VAC)
- No appointment required -- access via VAC on "Meet an Advisor" tab
- Best for quick questions and forms that need advisor approval

**Appointments
(30 mins)**

- Available through Zoom or in-person
- Must be scheduled in advance
- Best for questions or concerns that may require more in-depth advising

**Online
Advising**

- Accessible 24/7 via the VAC
- Best for brief questions
- ERC will respond within 1-2 business days

Refer to the ERC Academic Advising website and your Major department website for specific hours and availabilities

UC San Diego 

During the academic year, you will be able to utilize ERC Academic Advising and Major Academic Advising in three different ways. Scan the QR code to visit ERC's Academic Advising Services page for more detailed information.

During **Drop-In Advising Hours** you can meet with an academic advisor for 10-15 minutes to get quick questions answered. The link to access is on the "Meet an Advisor" tab on Virtual Advising Center (VAC).

Appointments are usually 30 minute sessions that are scheduled in advance. Appointments are designed for longer questions that cannot be answered during a drop-in session. Please note that Long-Term Planning Appointments will be available starting around Week 2 or Week 3 of the fall quarter. Please visit your major advisor first if possible. Refer to the "Meet an Advisor" tab on the Virtual Advising Center for respective hours and availabilities of both ERC and your major department.

Online Advising is also available 24/7 via the Virtual Advising Center (VAC). You can submit a brief, general question and an academic advisor will respond within 1-2 business days. Online advising is a great way to get quick questions answered.

Welcome to the Virtual Advising Center

After you have enrolled and throughout your time at UC San Diego, you will continue to use this site to submit your academic advising questions, view files, and access academic notices. Please follow instructions below to begin.

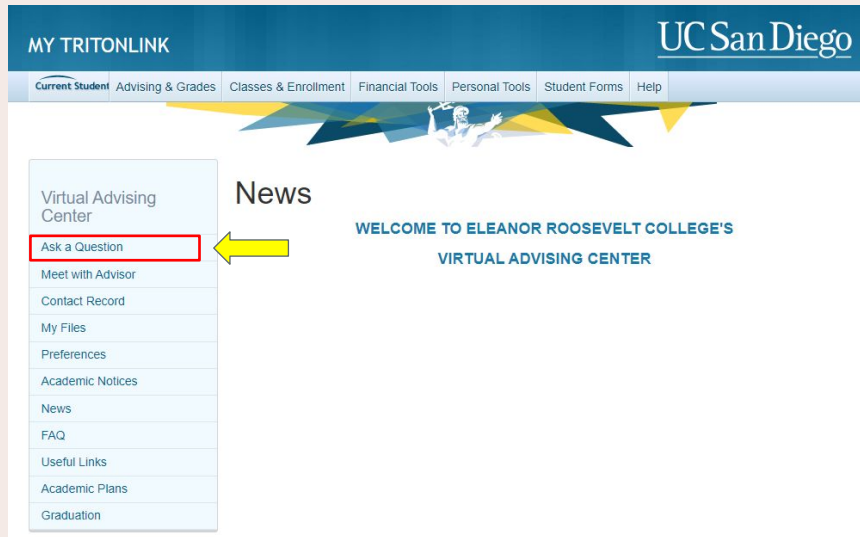

UC San Diego

<http://vac.ucsd.edu>

Online Advising is **open**. To access it, please return to the New Triton Advising website under “Back to VAC”. Here, you will be able to ask academic advisors questions to help prepare you for enrollment.

Virtual Advising Center (VAC)

UC San Diego

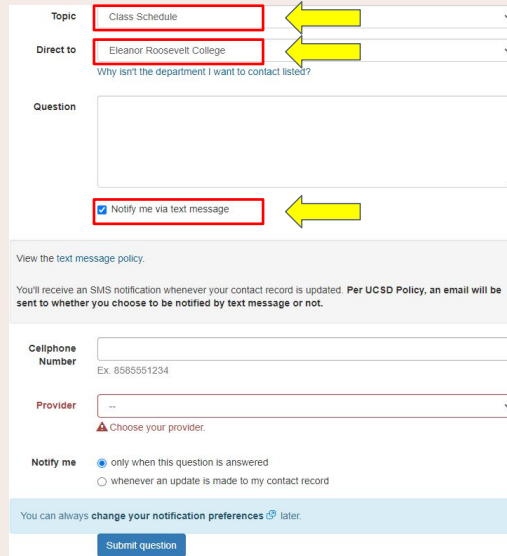

<http://vac.ucsd.edu>

Keep in mind that **during enrollment**, you will still use the Virtual Advising Center (VAC) to contact ERC advisors or your major advisor, but it will look a little different than what it previously did. You can go to vac.ucsd.edu to access the VAC directly.

There you will click on the “Ask a Question tab”

Virtual Advising Center (VAC)

The screenshot shows the VAC form with the following elements highlighted by red boxes and yellow arrows:

- Topic:** A dropdown menu with "Class Schedule" selected. A yellow arrow points to it from the right.
- Direct to:** A dropdown menu with "Eleanor Roosevelt College" selected. A yellow arrow points to it from the right.
- Question:** A large text input area.
- Notify me via text message:** A checkbox that is checked. A yellow arrow points to it from the right.

Below the question area, there is a link to "View the text message policy." and a disclaimer: "You'll receive an SMS notification whenever your contact record is updated. Per UCSD Policy, an email will be sent to whether you choose to be notified by text message or not."

At the bottom, there are fields for "Cellphone Number" (with an example "Ex: 6585551234") and "Provider" (a dropdown menu). Below these is a warning "Choose your provider." and "Notify me" options: "only when this question is answered" (selected) and "whenever an update is made to my contact record". A link "You can always change your notification preferences later." is also present. A "Submit question" button is at the bottom.

UC San Diego

<http://vac.ucsd.edu>

To send a question:

1. Select a topic
2. then direct it to ERC Advising, your major, or another academic department on campus
3. Type in your question
4. and before you submit at the bottom, be sure to select "Notify me via text message" so you are notified when an advisor responds.
