

ERC in Honolulu

Explore the history and culture of First Nation Hawaiians, the loss of sovereignty and the continuing importance of land and water to Hawaiians today. Engage in hands-on programs to restore and preserve the island's amazing biodiversity.

ELEANOR ROOSEVELT COLLEGE

Greeting from *the Team*

Ivan Evans, Provost

Lorna Hiraе, Group Advisor

Pacific Islands Institute (PII) specializes in group travel with an emphasis on learning about a destination's true culture and natural environment, our programs provide your group a chance to meet and interact with the local people.
